Code	Description
WI-115	Lengths and with either 2mm, 1mm or 0.5mm tips

BIPOLAR CONNECTING CORDS

Bipolar
Connecting Cords

Code	Description
WI-117	Bipolar cable Silicon for Surgical

Bipolar
Connecting Cords

Code	Description
WI-118	Length: 12 feet

Bipolar
Connecting Cords

Code	Description
WI-119	3-meter silicon cable cord for flexibility and ease of movement

Bipolar
Connecting Cords

Code	Description
WI-120	Bipolar Cable Silicon Cord 3 Metres Length - 4mm Standard Plug

Laparoscopic Electrodes

Code	Description
WI-121	Safe, Reliable, and Surgically Accurate

Laparoscopic Electrodes

Code	Description
WI-122	Safe, Reliable, and Surgically Accurate

Laparoscopic Electrodes

Code	Description
WI-123	Safe, Reliable, and Surgically Accurate

Laparoscopic Electrodes

Code	Description
WI-124	Safe, Reliable, and Surgically Accurate

BIPOLAR ARTERY SEALER

Bipolar Artery Sealer

Code	Description
WI-125	Safe. Strong. Seamless Sealing

Bipolar Artery Sealer

Code	Description
WI-126	Safe. Strong. Seamless Sealing

Bipolar Artery Sealer

Code	Description
WI-127	Safe. Strong. Seamless Sealing

Bipolar Artery Sealer

Code	Description
WI-128	Safe. Strong. Seamless Sealing

Monopolar

Code	Description
WI-129	Reliable Energy. Perfect Results

Monopolar

Code	Description
WI-130	Reliable Energy. Perfect Results

Monopolar

Code	Description
WI-131	Reliable Energy. Perfect Results

Monopolar

Code	Description
WI-132	Reliable Energy. Perfect Results

BIPOLAR FORCEPS COAPTATION

Bipolar Forceps Coaptation

Code	Description
WI-133	Accurate Grip. Reliable Seal

Bipolar Forceps Coaptation

Code	Description
WI-134	Accurate Grip. Reliable Seal

Bipolar Forceps Coaptation

Code	Description
WI-135	Accurate Grip. Reliable Seal

Bipolar Forceps Coaptation

Code	Description
WI-136	Accurate Grip. Reliable Seal
